SUPER NICE!! Check out this extensively updated & upgraded 4 bedroom 2.5 bath home in Franklin Twp. This is not a "cookie cutter" home. White cabinetry, GE Profile appliances & granite in kitchen. Highlights include professional custom tile work throughout (floors, baths, kitchen), hardwoods in the upstairs hallway, custom fabricated built-ins with remote controlled gas fireplace in family room, 3rd car lane at driveway, fabulous deck, extensive landscaping & much more than we can list here!
