http://asvt.co/2102

1 owner home. The owner worked for the builder and added several options not usually available. This 5 bedroom 4 bath home sits on a quiet cul de sac and has a beautifully wooded back yard. The oversized deck will provide lots of space for outdoor entertainment. Inside, you will find lots of space for entertainment as well as quiet living space. The 3 car oversized garage has loads of storage space in addition to parking. Don't miss out on this very special home.
