Enjoy the location of this cute bungalow near the Butler campus in the heart of Butler Tarkington. This modest home sports updated flooring throughout. However, it is the simple yet elegant kitchen that might be your favorite thing about the home. But don't overlook the very large dining room area that could be utilized for many different purposes. The archways enhance the flow of the home that give it the open concept desired for entertaining. The front porch offers a great, relaxing spot to have your morning coffee or afternoon
