Gorgeous home in a serene, country setting! With stunning, sprawling views from the front and back porches, this home features 4 bedrooms, 2 bathrooms, granite countertops, rubbed bronze fixtures, beautiful stone fireplace, built-in bookcases, ample natural light, and much more! One bedroom features lovely French Doors, allowing it to easily be used as a study. On the other side of the lot, this home features a separate 1br/1ba apartment, an incredible 60x40 workshop with 2 overhead doors, and a covered 2 car carport. An ideal space
