Better than new 3 bedroom home in The Commons. The formal living room/office/den has 2 sets of paned French doors for privacy when needed. There is a 4 seasons sunroom off of the kitchen. The spacious kitchen has a walk-in pantry, center island, and plenty of cabinet and counter space. The 2 1/2 car garage has a "bump out" for extra storage. No more watering the lawn with the irrigation system. The subdivision has a swimming pool, club house, and multiple "play" areas.
